Dear MA Director:

In order to accommodate districts trying to assist victims of the recent flooding, WMS will be available this weekend July 15 and 16 (see GIS TA/WMS019). For this reason, the WMS Upstate migration of enhancements, as detailed in the June 26, 2006 WMS/CNS Coordinator Letter, scheduled to be supported on WMS July 17, 2006 must be delayed until July 24.

We apologize for any inconvenience this change may cause.

Sincerely,

**DDM**
