Dear WMS/CNS Coordinator:

The purpose of this letter is to introduce the 02/07 Intranet Update to the 'WMS Error List'. This update is a result of WMS/CNS enhancements that will be migrated to the Production System on February 19, 2007. Error Numbers and Error Messages with their corresponding Cause/Remedies and the Error Reference Tables for PA, FS and MA have been updated.

Local districts can access the WMS Error List through the OTDA Intranet site by clicking on the following link: <http://otda.state.nyenet/dta/wmserror/errorcodeindex.html>

Workers can then select the appropriate group of Error Messages and scroll down to the individual error, or select an individual Error Reference Table.

If a local district worker discovers any incorrect TA or FS Error messages, please e-mail Wayne Marquit @ wayne.marquit@dfa.state.ny.us

If you have any problems accessing the WMS Error List, please contact the New York State Enterprise Help Desk at 1-800-697-1323.

Sincerely,

Tully Lenihan
