Dear MA Director:

In the WMS Coordinator Letter of January 20, 2008, you were informed of an edit change regarding the generation of the MA Coverage To Date for Managed Care and Family Health Plus case closings (Attachment III, Section III). The change was to generate a To Date that is the last day of the month that the Closing Transaction + 10 days occur.

We are pulling this edit because we were recently informed that this change must go statewide at the same time and NYC is not ready to implement it.

We apologize for any inconvenience this change has caused. Please contact Layne Gilpin, of this office, at 518-474-6798 if you have any questions or concerns.

Sincerely,

Dennis DiMuria
