Dear MA Directors/TA Directors/WMS Coordinators/Managed Care Coordinators:

On March 13th, we sent correspondence in regard to WMS changes to assure that the State of New York is in compliance with the court stipulation in Luberto v. Daines. We would like to update you on the schedule. We successfully ran the process this past weekend. The next run date has changed and is now planned for the evening of Friday, **3/28/08** and the **pending day to be Monday, 3/31/08**. The districts will receive the Case Control Transfer Report heading number WINR4648, file name of 001-X-XX(two digit county code)*WMSA4648 on **3/31/08** and can make changes to case number, office/unit/worker and coverage code on that day. The cases that will be processed will be due to a closing transaction that occurred in the month of March with Medicaid coverage ending 4/30/08. The opening case's Medicaid coverage will begin 5/1/08. After this date, we anticipate the schedule to be daily.

For systems related questions regarding Luberto/County Transfers, please contact Bambi Murphy at (518)402-6682. Policy related questions should be directed to the OHIP LDSS Support Representative at (518) 474-8887.

Sincerely,

Dennis DiMuria
