Dear WMS/CNS Coordinator:

The purpose of this letter is to provide local districts with an explanation of recent enhancements to the Resource File Integration (RFI) Sub-System of WMS. Revisions have been made, resulting from the participation of several local districts in a joint State/Local workgroup which was assigned the task of improving the efficiency of the existing RFI Sub-System. These enhancements, fully explained in the enclosed Attachment, are scheduled to become operational on the Production System on March 31, 2009.

For questions regarding the attached changes, please contact the Jeanmarie Zalinka at 1-800-343-8859, extension 6-6100.

Sincerely,

Tully Lenihan
