Section I – New Edit 1388 for ACI (Alien Citizenship Indicator) code D

A new edit 1388 has been created to prevent ACI code “D” being changed to ACI code “C”. This edit applies to all case types for transaction types 02, 05, 06, 10 or 11. The error message and cause/remedy for Edit 1388 is as follows:

Edit 1388 – ACI D MAY NOT BE CHANGED TO ACI C

ACI D may be changed to ACI A, B, E, F, G, H, J, K, M, N, O, R, S, T, OR V

State/Federal Charge Code of 67 is not appropriate with ACI Code “D” as it does not indicate federal funding. The appropriate charge code for ACI = D is 68 for cash assistance case types only. This has resulted in revision to existing Edits 1374 and 1375.
