Dear WMS/CNS Coordinator:

The purpose of this letter is to inform local districts of modifications to the September 28, 2010 WMS/CNS Coordinator Letter.

As described in Attachment II, Section III a new AFA code 914 – Puerto Rican Birth Certificate Validation Pending was to be created. The date Vital Records has chosen to begin reissuing new Birth Certificates has been extended to October 31, 2010. As the new Citizenship Verification Process will be in place prior to that date, it is no longer necessary to track Puerto Rican birth certificates separately, therefore the new AFA code is not needed.

Please note that Attachment IV, Section I is a replacement to Attachment II, Section I.

Please also note clarification on individuals to contact for Attachment II and IV:
