Section I Deletion of TOP Indicator

The TOP (Transitional Opportunities Program) Indicator will be removed from all data entry and inquiry screens on WMS. Additionally, any values that currently appear in the TOP Indicator field will be deleted. Districts who currently utilize the TOP Indicator can designate specific Office/Unit/Worker to access TOP reports.

The following Edits will be deleted.

1125 - TOP IND NOT VALID

For TOP (Transitional Opportunities Program) districts, the only valid entry for the TOP Indicator on Screen 1 of WMS is an "X".

1127 - TOP IND NOT VALID FOR THIS CASE TYPE

For TOP (Transitional Opportunities Program) districts, the TOP Indicator is limited to Case Types 11, 12, 16, 17, 18, 19, 20, 24, 31 & 32.

Section II Revision to Error Table 1910

Error Table 1910 (DIVERSION PAYMENT TABLE) will be revised to include Special Claiming Code P (FNP Payment) for certain TA payments at TA denials. Error Table 1910 will be updated to include this change.

Section III Modification to Edit 0381

Edit 0381 is being modified to exclude Relationship Code 01 (App/Payee) for Case Types 31 and 32. This will allow an individual under 16 years of age to have a Relationship Code of 01 in Food Stamp Case Types 31 and 32. A GIS message will be sent the week of June 6th 2011 to notify districts of a report that will be sent through the BICS queue to identify FS cases that do not have a Relationship Code of 01. Failure to have Relationship Code 01 will result in Error 1361.

For Case Type = 11, 12, 16 or 17, if Relationship Code = 01, 02, 10, 15, 19, 21 or 30; individual must be over 16 years old. For Case Type = 31 or 32, if Relationship Code = 02, 10, 15, 19, 21 or 30; individual must be over 16 years old.
