**Section I – OMH Health and Recovery Plan (HARP)**

**Section II – Update to ABD/MSP Auto Renewal Process**

**Section III – Ceasing of WINR 5204 - Occurrence of Health Insurance Indicators (HII)**

**Section I – OMH Health and Recovery Plan (HARP)**

As part of the MRT 1458 Medicaid managed care expansion, OMH is creating a new managed care product to provide more directed care management. The following new R/Es will be used for HARP. OMH will work with eMedNY to identify individuals needing H9 assigned. The Enrollment Broker, currently Maximus, will receive the H9 assignment and begin its process for plan enrollment. After plan enrollment, the Enrollment Broker, will end the H9 and reassign the applicable ‘H’ R/E.

- H1 – HARP enrolled without HCBS eligibility
- H2 – HARP enrolled with tier 1 HCBS eligibility
- H3 – HARP enrolled with tier 2 HCBS eligibility
- H4 – SNP HARP – eligible without HCBS eligibility
- H5 – SNP HARP enrolled with tier 1 HCBS eligibility
- H6 – SNP HARP enrolled with tier 2 HCBS eligibility
- H7 – Opted out of HARP
- H8 – State-identified for HARP Assessment
- H9 – HARP eligible – Pending enrollment

Enrollment Broker will enroll using a new Benefit Package of “78 – HARP” which will have a begin date greater than 7/1/15. Below is the statewide list of HARP providers:

<b>Plan Provider Name</b>	<b>Plan Provider ID</b>	<b>Plan ID</b>
AMERIGROUP New York, LLC	04004537	AA
New York State Catholic Health Plan, Inc. HARP (aka Fidelis)	04004486	NC
Healthfirst PSHP, Inc.	04003696	HF

UnitedHealthcare of New York, Inc.	04054091	UC
Health Insurance Plan of Greater New York, Inc. (HIP)	04082293	HI

The following PCP edits will be updated due to the addition of BP 78

**054 – BENEFITS PACKAGE CODE = 77 AND PCP FROM DATE < 1/01/2015 OR BENEFIT PACKAGE CODE = 78 AND PCP FROM DATE < 7/1/2015**

The Benefits Package Code has been set to 77 and the PCP From Date < 1/1/2015 or the Benefit Package Code has been set to 78 and the PCP From Date < 7/1/2015. The BP Code 77 is effective 1/1/2015 and BP Code 78 is 7/1/15, neither can be used prior to those dates.

**Section II – Update to ABD/MSP Auto Renewal Process**

A few changes were made to the existing ABD/MSP Auto Renewal Process. Any case containing the AFA Codes Z82, Z83, Z85, and/or Z86 and meet all other ABD/MSP selection criteria will have those codes deleted from the case while being processed for auto renewal. Also, any cases that have income listed in the Child Income amount in MBL will now be excluded from the processes.

**Section III – Ceasing of WINR 5204 - Occurrence of Health Insurance Indicators (HII)**

WINR5204 – “Occurrence of Health Insurance Indicators (HII) Upstate Code Case Type 20 & 24 (FHP) Cases” provides statistics based on the FHP program that ended 12/31/14. As the program no longer exists, the report will no longer be produced.
