WMS Changes

Section I – Essential Plan (EP)/Basic Health Plan (BHP)

Section I: Essential Plan (EP)/Basic Health Plan (BHP) Notices

The following new **Upstate** CNS notices will be generated as part of the automated transaction to transition identified EP individuals at the time of renewal to NYSoH where they will be enrolled into an EP health plan. The automated WMS transaction reason codes will trigger a case to close when all case members are EP & MAGI or trigger a change transaction to delete EP & MAGI case members from the case. These codes will be WMS system generated only codes and worker entry will not be allowed.

New reason code:

Reason Code	Paragraph #	Description
W2H	C0395	Transition MA to NYSoH, in the 5 Year Ban or in the 5 Year Ban and MAGI combination household
F4N	R0048	FPBP Renewal for individual(s) to remain with LDSS when other(s) In 5 Year Ban or 5 Year Ban MAGI transitioned to NYSoH
S4N	R0049	MA Renewal for individual(s) to remain with LDSS when other(s) in 5 year Ban or 5 Year Ban MAGI transitioned to NYSoH

Notice language revision:

Minor revisions to the following existing language triggered by Upstate Reason Codes "H2W" and "TT1" were made to accommodate EP individuals that have been transferred to WMS or referred to LDSS by NY State of Health (NYSoH).

Reason Code	Paragraph #	Description
TT1	S0034	NY State of Health to LDSS, Application for Medical Coverage
H2W	Y0136	Renewal Letter, Individual Transferred from NYSoH
