CNS Changes

Section I: New reason codes for the MAGI Transition to NYSoH

Section II: New reason codes for FPBP Prisoner Suspensions

Section I: Upstate Reason Codes for the Transition from WMS to NYSoH

Two new upstate reason codes have been added to address the transition of Medicaid recipients from WMS into the New York State of Health. These codes are W3H/C0399 and W4H/C0400. These codes will be used when the case is up for renewal in WMS and will direct the recipient to contact the NYSoH if they have any questions. W3H is used for adults over 18 and W4H will be used for child-only cases.

New notice reason codes:

Reason Code	Paragraph #	Description
W3H	C0399	MAGI Individual Transition Medicaid to NY State of Health
W4H	C0400	MAGI Individual Under 18 years, 9 months, Transition Medicaid to NY State of Health

Section II: New Reason Codes for FPBP Prisoner Suspensions

Two new upstate reason codes have been added to address the suspension of FPBP coverage for inmates in a correctional facility. These codes are XX7/Y0139 and XX8/U0294. XX7 will be used as an opening suspension when there are multiple individuals on a case and can only be used at the individual level and XX8 will be used as an undercare when there is only one individual on the case.

Reason Code	Paragraph #	Description
XX7	Y0139	Suspend FPBP Coverage for Inmate of NYS Correctional Facility (HH>1)
XX8	U0294	Suspend FPBP Coverage for Inmate of NYS Correctional Facility (HH=1)
