CNS Changes

Section I: Modification to Reason Code 752

Section II: New Reason Code C46

Section I: **Modification to Reason Code 752**

Separate Determination Reason Code 752 is used when Temporary Assistance is being discontinued and Medicaid is being suspended due to incarceration. The language for 752 currently populates the Medicaid Suspension Date with the MA Coverage From Date from the TA closing case. This date will now be populated with the MA Coverage From Date from the MA extension case.

Reason Code	Paragraph #	Description
752	I0063	Suspend MA Due to Incarceration

Section II: **New Reason Code C46**

Reason C46, Pre Release Notice, "30 Days Prior to Release" will be automatically issued to the incarcerated at the correctional facility not more than once per year. This informational notice will inform the incarcerated that Medicaid coverage will be reinstated at release to the community; a CBIC will be issued to the correctional facility and made available upon release to the community; a reinstatement notice will be issued to his/her parole officer.
