- Our records indicate that this person is no longer a resident of New York State.
- This is because it is not cost effective.
- Failure to recertify.

Our records indicate that we have previously closed your Medicaid case for failure to recertify. Payment of your Medicare premium should have ended at the same time your Medicaid case was closed. Due to an error on our part this did not occur. Therefore, we will now discontinue payment of your Medicare premium.

Your Medicaid case is no longer active.

Our records indicate that we have previously closed your Medicaid case because your income or resources were too high. Payment of your Medicare premium should have ended at the same time. Due to an error on our part this did not occur. Therefore, we will now discontinue payment of your Medicare premium.
