LOCAL COMMISSIONERS MEMORANDUM

Transmittal No: 05 OMM/LCM-2

Date: June 17, 2005

Division: Office of Medicaid Management

TO: Local District Commissioners

SUBJECT: State Fiscal Year 2005-06 Medicaid Administration Allocation

ATTACHMENT: SFY 2005-06 Medicaid Administration Allocation by Local Social Services District

The purpose of this LCM is to publish the State Fiscal Year 2005-06 Medicaid Administration allocation for each local social services district. As included in the SFY 2005-06 Enacted Budget, Medicaid Administration costs are separate from the Local Administrative Fund, which includes costs for programs such as Temporary Assistance, Food Stamps, and Employment.

The Medicaid Administration allocation covers local districts claims for CY 2005, subject to an annual State share cap of \$96.5 million. The \$96.5 million State share cap was distributed proportionately to each local district based on their CY 2004 State share of Medicaid Administration claims to the total CY 2004 State share Medicaid Administration claims submitted for all counties.

Once a local social services district reaches its cap, State share reimbursement ceases for the remainder of the state fiscal year. However, Federal reimbursement of Medicaid Administration costs continue to be paid for allowable costs.

Sincerely,

Kathryn Kuhmerker
Deputy Commissioner
Office of Medicaid Management
